

# KEEPING SAFE AND WELL

Things might feel a bit scary at the moment, but remember, it will not last forever. The coronavirus is also called Covid-19 and can cause some people to become unwell, but not everybody. Find out more about the coronavirus by asking an adult to click on this link to watch a short video:

My name is coronavirus

Here are some things you can do to help:

- Wash your hands with warm soapy water often, especially after being outside
- Social distancing this means keeping 2 metres (about the same length as an adult bed) away from people who do not live in your house
- Eat a healthy diet and drink plenty of water

# KEEPING ACTIVE

Most people are allowed to go out to exercise. Here are some fun things you can do to keep fit and active:

- Take a walk or bike ride with the people who live in your house
- > Dance to your favourite music
- Learn to skip or use a hula hoop
- > For lots of other ideas, ask an adult to click on this link: **imoves**

# KEEPING CALM

When things change, it can make you feel anxious and worried. It's OK to be a little scared just now. If that happens, it is always best to talk to an adult and ask for their help. Try some of these things to make you feel calm again:

- Take a big deep breath, hold it for a moment and then breathe out slowly. Repeat this 4 times.
- ▶ Be creative draw, colour in, or just doodle!
- > Read a book or do a jigsaw
- > For lots of free activities, ask an adult to click on this link: <u>Activity Village</u>
