

Matchday Operations Assistants

For supporters and all visitors to Firhill, our matchday operations assistants are a key part of the positive experience we want to create and we are currently taking applications for more to join our team.

Whilst there is a particular focus on 50/50 ticket sales, you can get involved in everything to selling programmes through to guiding supporters through the turnstile entry process! No two games are the same in this lively and energetic voluntary role representing the club.

All matchday operations assistants receive a free ticket to the match.

For more information about this role please email norman.wilson@ptfc.co.uk with the subject title matchday operations assistants.
